Hurricane Animal Hospital tries to maintain a low stress environment for our patients. We ask that you keep your pets secure on a leash or in a carrier so we can reduce stress to other patients. We provide a cat ONLY waiting area and exam room and ask that you utilize these areas with your cat to help reduce their stress from dogs they don't know. We also provide relaxing pheromones that our customer care team can help you apply while you wait in our waiting area or in the exam rooms. With your help and guidance, we can use many tools, from treats to low dose sedation or anxiety medications, to make your pet's visit more comfortable for everyone from home to the hospital and back home.

For your convenience, at the time we perform services, we accept Mastercard, Visa, American Express, Care Credit, as well as check (with a valid driver's license) or Cash payment. Hurricane Animal Hospital does not require personal information as a condition to payment by credit card, but card users may be required to provide proof of identity.

I hereby authorize the veterinarian to examine, prescribe for, and/or treat the previously described pet. I assume responsibility for all fees incurred in the care of this animal. I also understand that these charges will be paid at the time of service and that a deposit will be required for any procedure that requires hospitalization, surgery, or after hours care. It is my obligation to ask for a written estimate for the cost of services discussed prior to care being provided, if I do not request an estimate I understand I am still responsible for the cost of all services provided.
